The Ant and The Grasshopper

In summer and autumn, the ant works hard on the farm. He gets food and keeps it in his anthill. He saves up the food for winter.

The grasshopper plays, sings and dances all day near the grass. The ant tells him to get ready for winter but the grasshopper does not listen to him. The grasshopper keeps playing every day.

Then, winter comes. The grasshopper cannot find any food in the grass. He is very hungry, cold and sad.

The ant has a lot of food. He eats the food and feels warm in winter. The grasshopper learns to work hard before he plays.
